this contract at a date earlier than that specified herein, the said party will give to the other party hereto at least thirty
days' written notice of such desire and the reasons therefor, but no such notice will work a cancellation of this contract
without the consent of both parties hereto.

It is further understood that the refusal of the party of the second part to carry out and fulfill the agreements made
herein, is deemed by the State Board of Education as sufficient grounds for the revocation of the certificate of said second
party to teach school in the State of Idaho.

It is further understood that the liability under this contract of the party of the first part is at all times dependent upon
the party of the second part being the holder of an unrevoked, valid teacher's certificate in effect at all the dates mentioned
herein to teach in the public schools of this state.

It is hereby mutually stipulated and agreed by and between the parties hereto, that nothing herein contained shall op-

Dear Mrs. Smith:

I have thought much about you since I left there. I have told several teachers about you.

Your opening exercises pleased me so much and I was especially interested in that story you were reading to the children. I mean the one that was not only a story, but at the same time taught manners and morals. Will you please send me the name, title and author of the book and the publisher of same? I shall be very grateful.

I wish to express my appreciation of your whole-hearted cooperation and, most of all, of your splendid womanhood.

With my very best wishes for you in your school work, and with kindest personal regards, I am

Yours very sincerely,

Gertrude Walter

We want you to know that we appreciate fully the splendid cooperation given in the campaign by the stake and ward Era workers of your stake. Your efforts contributed definitely to the outstanding results achieved. Our thanks and appreciation go to you and all of your associates in the stake and wards who participated in this truly great accomplishment.
